GET INVOLVED!

A healthy lake and a vibrant community go together. LMPA hosts recreation and social activities for all ages to help build long-lasting connections among lake residents.

Environment

The LMPA monitors water quality, fish, wildlife and shoreline habitats throughout Lake Maspenock and the watershed. Our projects include water testing, weed monitoring and other projects to minimize the impact of shoreline development. We also coordinate with other organizations that share our goals.

Government & Marine Affairs

Activities on and around Lake Maspenock are regulated by municipal, state and federal governments, and involves numerous agencies.

LMPA reviews developments and provides liaison and advocacy with all levels of government. LMPA also acts as a liason to Parks and Recreation for Sandy Beach and Boat Ramp Issues.

Safety

LMPA takes safety seriously and offers our members free Coast Guard Approved Boating Safety Classes

2009 LMPA Focus

• Dam Maintenance

Monitor and contribute to the ongoing maintenance of the dam

• Boating Safety Courses

Free Boaters Safety Courses for Members

• Water Quality

A team of people focused on water quality

• Weed Control

A group to review and analyze the results of the recent weed studies.

• Boat Ramp Maintenance

Liason with various agencies to dredge and repair the Sandy Beach boat ramp
